## 2019 SPRING SHOW CAR CLASSES

There are 39 Car Classes in the 2019 Spring Show. While the Mustang classes highlight the show, there are also classes for Ford powered cars, Mercury Cougars, Thunderbirds, Stock Ford Motor Company Cars, Non-Ford Cars, Modified Cars, Trucks and Low Riders. The 27 Mustang classes are arranged by the 6 Generations and, in general, separate modified from stock. There are also Mustang classes for Conversions, Teen Driven, and Fixer Uppers.

Not sure which class to enter your car in? Not to worry. As you enter the park, you will be greeted by one of our Classification Officers who will assist you in determining the proper car class for your vehicle. Enjoy the show.

### WHAT TO EXPECT

When entering the park, your car will be assigned to one of 39 car classes. In addition to verifying the year, make, model and body style, the car will be examined for modifications and personalization. If it is determined to be significantly different than a production car, it will be assigned to a modified class. There will be attendants to help you park in the proper car class area.

Once parked, proceed to the registration desk to check in. There will be ample time to clean your car before the opening ceremony and voting begins. Also, check out the raffle and vendors, enjoy the music, have lunch, meet new people and "talk cars" with the other participants.

At 11:15, if you are a visiting participant, turn in a portion of your door prize ticket to obtain a ballot. Voting ends at 2:00 pm and the Awards Ceremony will begin as soon as the votes are counted - about 3:00 pm. Please note that the host club's members do not vote.

The show's proceeds will go directly to two local VFW Posts who are helping our veterans and their families.
