## A MESSAGE FROM THE PRESIDENT

Dear Member:

Merry Christmas to all! For those who don't celebrate Christmas, I also wish you the very happiest at this time of year. It's a wonderful time to reflect on the good fortunes we have received during the past year and allow the less fortunate occasions to begin healing in our minds. The healing will be more difficult for some, so please keep those people in your thoughts during this time.

The Christmas season started quite well at Central United Protestant Church on December 5<sup>th</sup>. Mary Esther Lippold was one of the accompanists at the 30<sup>th</sup> Annual Christmas Choral Festival and she played very well. Her daughter-in-law, Beth, was a singer in one of the choirs. Nick and their sons were there to listen, as were Roger and Diane Anderson, Grant and Linda Culley, and I.

I hope to see a lot of you at the Christmas Party on December 14<sup>th</sup>. Directions to Harland and Lydia Lippold's Horse Heaven Mustang Restoration Shop are elsewhere in this newsletter. It's easy to find. The chili and side dishes are always delicious. You'll have a great time. It's a wonderful way to end the year. Enjoy!

The end of this year means that we are now gladly accepting 2011 dues. We'll accept them in person or by mail, by cash or check. I wanted to keep this column all happy, but this subject had to be mentioned.

## MUSTANG CLUB CHRISTMAS PARTY!! Tuesday, December 14th—6:00pm

Just a reminder for those not at our last club meeting and for those already planning to attend our Christmas Party, the fun starts at 6:00pm on Tuesday, December 14th. The chili feed will be held at Harland and Lydia Lippold's Horse Heaven Mustang Restoration in Badger Canyon.

For those not at our last meeting, we hope you can join us for our Christmas gathering. If you would like to be part of the gift exchange, please bring your wrapped gift of not more than \$10.00 value to exchange.

Hope to see you on the 14th!

### DIRECTIONS/MAP TO CHRISTMAS PARTY:

For those who've never been to Horse Heaven on Badger Canyon Road before, it's easy to find from I-82. If you're near the east end of the Tri-Cities, go west on Badger Road from I-82's exit for Badger Road, Leslie Road, and Columbia Center (Exit 109). Go 6 miles to a left turn for Badger Canyon Road. If you're near the west end of the Tri-Cities, take I-82 or Bombing Range/Dallas Road to I-82's exit for Dallas Road (Exit 104). Go southwest and west on Dallas Road to its end at Badger Road. Turn left and go a mile and a quarter to a right turn for Badger Canyon Road.

Either way, turn off Badger Road onto Badger Canyon Road and go a short distance to just across the irrigation canal. You'll see the shop area on the left lit up in red Christmas lights. If you get onto gravel, you went just past it. There's a long driveway for parking and additional parking on the opposite side of Badger Canyon Road.
