2016 SPRING SHOW CAR CLASSES

There are 39 Car Classes in the 2016 Spring Show. While the Mustang classes highlight the show, there are also classes for Ford powered cars, Mercury Cougars, Thunderbirds, Stock Ford Motor Company Cars, Non-Ford Cars, Modified Cars, and All Trucks. For a complete listing of the car classes, please visit the club website - www.pnwmustangclub.org

The 29 Mustang classes are arranged by the 6 Generations and, in general, separate coupes/fastbacks/hatchbacks from convertibles and modified from stock. There are also Mustang classes for Specials, Conversions, Teen Driven, and Fixer Uppers.

Not sure which class to enter your car in? Not to worry. As you enter the park, you will be greeted by one of our "Classification Officers" who will assist you in determining the proper car class for your vehicle. Relax and enjoy the show.

Preservation Class

This year we are opening up the Preservation Class to all Ford cars and trucks. This class is intended for those Fords that have been driven, enjoyed and appreciated. Their owners have avoided the temptation to restore or modify them and while well cared for, have accumulated many miles and allowed to acquire "the patina of time." Preservation Ford class cars shall meet the following criteria:

25 Years Old or Older

For 2016, cars must be 1991 or older

Original Paint

Minor body damage repaired and painted to match the original paint is acceptable but no complete repaint or color change

Original Wheels

Replacement wheels that represent the same style and size as the originals are acceptable

Original Interior

Any necessary replacement carpets, seat covers, etc., shall match the original color and style.

Original Mechanicals

Replacement engines, brakes, transmissions, etc. shall be of the original type, size and vintage.

If you have an older Ford that you won't take to a car show because it's "just not good enough," this is your opportunity to compete with similar cars and perhaps win a trophy as a reward for taking good care of your car all these years.

WHAT TO EXPECT

When entering the park, your car will be assigned to one of 39 car classes. In addition to verifying the year, make, model and body style, the car will be examined for modifications and personalization. If it is determined to be significantly different than a production car, it will be assigned to a modified class. There will be attendants to help you park in the proper car class area.

Once parked, proceed to the registration desk to check in. There will be ample time to clean your car before the opening ceremony and voting begins. Also, check out the raffle and vendors, enjoy the music, have lunch, meet new people and "talk cars" with the other participants.

At 11:15, if you are a visiting participant, turn in a portion of your door prize ticket to obtain a ballot. Voting ends at 2:00 pm and the Awards Ceremony will begin as soon as the votes are counted - about 3:00 pm. Please note that the host club's members do not vote.

A generous portion of the show's proceeds will go directly to two local VFW Posts who are helping our veterans and their families.
